

Mobile Botanical Gardens Sustaining Gifts Campaign 2012

Yes, I'd like to support:

Amount

The Gardens Puts your donation to work throughout the gardens.

Azalea & Rhododendron Garden

The most diverse collection of azaleas on the Northern Gulf Coast. See it, and you'll see why Mobile really IS the Azalea City.

The ReBloom Program

Gulf Coast gardeners can enjoy 12 months of splendid bloom. We're showing you how with the newly revamped ReBloom Garden, and we'll be providing the plants through the ReBloom Marketing program.

The K. Sawada WinterGarden

While the rest of the country endures winter, those of us on the Gulf Coast can enjoy one of the world's most precious and colorful seasons of bloom. Take a stroll through a garden that truly is unique to Mobile.

The Longleaf Pine Meadow

We're restoring a piece of North America's richest forest and in the process creating a spectacular wildflower meadow. Help us share the amazing story of Alabama's natural beauty!

Children's Wonder Walk

Destined to become the heart of our children's educational programming, this will include a dozen new venues, ranging from a fascinating tea maze to a life-sized sculpture garden featuring pre-historic Mobile to a living, growing cathedral of plants.

Gulf Coast Marketing & Teaching Area

A new hands-on Marketplace, where education is combined with year-round marketing of plants, centered on a celebration of traditional Mobile architecture.
