## Photography Policy

Amateur photographers and garden guests are welcome to shoot photos throughout the Garden as long as they are for their personal use and enjoyment, rather than for commercial or gallery use. All other photography sessions, personal or promotional/commercial, require a reservation and fees are charged.

**Reservations are required for photo shoots; no walk up requests are granted.**

No unauthorized photography sessions are allowed at any time on Garden property.

A fee is required for photography sessions or promotional/commercial photo shoots that are not part of a private event taking place at the Garden. This includes engagement photos, wedding/bridal photos, and family portraits that are not part of an event booked at the Gardens.

Tripods and other large equipment may be used throughout the Garden provided they do not damage plants or block the path of our guests. The Garden is not responsible for any lost, stolen or damaged equipment.

### Personal Photo Shoot

**The fee for a personal photo shoot is \$200 for a maximum of three hours and a maximum of 8 people.**

- Should the group be larger than 8 people, the fee is \$20 per additional person.
- Additional hours may be purchased at a rate of \$50 per hour.
- Garden membership does not entitle the party, or part thereof, to waive this fee.
- Due to demand, sessions must be confirmed with payment in full 1 week prior to the session date.
- Photography sessions are not scheduled after hours, on days the Garden is closed, or during special events.

**Contact Classic Events directly at 251.307.5382 to schedule a personal photo shoot.**
